Комплекты адаптеров для промывки систем кондиционеров

WAECO ADAPT-FKIT

A/C flush adapter kit V, 17 items

Flushing is an important part of servicing an automotive A/C system. By clearing away aggressive substances and contaminants from the refrigerant circuit, flushing protects all parts of the air conditioner from damage, including the core compressor. To help make the process as straightforward as possible, we offer a wide range of flush adapter kits, as well as complementary adapters.

- Universal flush adapter set for use with O-ring and taper connections
- Adaptable connectors allow for use with flange connections
- Supplied in a sturdy plastic case – ideal for workshop use
- Set comprises 12 gaskets, fixing material and various adapters
- Instructions (with illustrations) also included

Описание изделия A/C flush adapter kit V, 17 items

Вес нетто 2.51 kg

WAECO COMP-FLTRKIT

SK47, set of chip filters with tools

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

-
- Catches contaminants to provide protection for the compressor - especially important if you've just fitted a new one!
 - Easy to fit – no need to cut pipes or insert fittings
 - Set includes 60 filters in 20 different sizes, as well as the tools required to fit them

Описание изделия SK47, set of chip filters with tools

Вес нетто 1.85 kg

WAECO ADAPT-FKIT

A/C flush adapter kit III, 5 items

Flushing is an important part of servicing an automotive A/C system. By clearing away aggressive substances and contaminants from the refrigerant circuit, flushing protects all parts of the air conditioner from damage, including the core compressor. To help make the process as straightforward as possible, we offer a wide range of flush adapter kits, as well as complementary adapters.

-
- Designed for the targeted flushing of condensers and evaporators
 - Special clamps with high-quality brass connectors
 - Also includes connectors for 3/8" service hoses
 - Adapters serve to bypass expansion valves and dryers

Описание изделия A/C flush adapter kit III, 5 items

Вес нетто 2.70 kg

WAECO ADAPT-FKIT

A/C flush adapter kit IV, 65 items

Flushing is an important part of servicing an automotive A/C system. By clearing away aggressive substances and contaminants from the refrigerant circuit, flushing protects all parts of the air conditioner from damage, including the core compressor. To help make the process as straightforward as possible, we offer a wide range of flush adapter kits, as well as complementary adapters.

- Adapter set for bypassing A/C components
- Flushes an air conditioner with refrigerants – no need for cleaning agents
- Set includes 65 adapters, for expansion valves, compressors and more
- Ideal for removing oil from the system
- Flexible use with various hose connection options
- Refrigerant is recycled by the A/C service unit and can then be reused
- Causes no damage to gaskets or components

Описание изделия A/C flush adapter kit IV, 65 items

WAECO ADAPT-FKIT

A/C flush adapter kit I, 17 items

Flushing is an important part of servicing an automotive A/C system. By clearing away aggressive substances and contaminants from the refrigerant circuit, flushing protects all parts of the air conditioner from damage, including the core compressor. To help make the process as straightforward as possible, we offer a wide range of flush adapter kits, as well as complementary adapters.

- Adapter set for bypassing expansion valves and dryers
- For direct connection of A/C service hoses to a compressor's suction and pressure hoses
- Made of high-quality brass-aluminum materials to withstand the rigors of workshop use
- Supplied in sturdy workshop case
- Fits many VW and Audi models, as well as other makes

Описание изделия A/C flush adapter kit I, 17 items

WAECO ADAPT-FKIT

Repair set of 6 gaskets, accessory for A/C flush adapter kit II

Flushing is an important part of servicing an automotive A/C system. By clearing away aggressive substances and contaminants from the refrigerant circuit, flushing protects all parts of the air conditioner from damage, including the core compressor. To help make the process as straightforward as possible, we offer a wide range of flush adapter kits, as well as complementary adapters.

- Repair set of six gaskets – ensure essential spares are there when you need them
- Accessory for A/C Flush Adapter Kit II
- Easy replacement of worn or damaged gaskets

Описание изделия Repair set of 6 gaskets, accessory for A/C flush adapter kit II
