## Защитные фильтры твердых частиц для очистки компрессоров кондиционеров

### WAECO COMP-FLTR

*Chip Filter 14,02 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 14.02 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 14,02 mm, 3 Pieces

### WAECO COMP-FLTR

*Chip Filter 12,95 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 12.95 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 12,95 mm, 3 Pieces

## WAECO COMP-FLTR

*Chip Filter 15,11 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 
- 15.11 mm diameter
  - Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
  - Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 15,11 mm, 3 Pieces

## WAECO COMP-FLTR

*Chip Filter 20,85 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 
- 20.85 mm diameter
  - Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
  - Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 20,85 mm, 3 Pieces

## WAECO COMP-FLTR

*Chip Filter 10,03 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 
- 10.03 mm diameter
  - Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
  - Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 10,03 mm, 3 Pieces

## WAECO COMP-FLTR

*Chip Filter 10,26 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

---

- 10.26 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 10,26 mm, 3 Pieces

## WAECO COMP-FLTR

*Chip Filter 11,76 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

---

- 11.76 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 11,76 mm, 3 Pieces

## WAECO COMP-FLTR

*Chip Filter 12,50 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

---

- 12.50 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 12,50 mm, 3 Pieces

## WAECO COMP-FLTR

*Chip Filter 13,23 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new

connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 
- 13.23 mm diameter
  - Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
  - Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 13,23 mm, 3 Pieces

## **WAECO COMP-FLTR**

*Chip Filter 16,48 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 
- 16.48 mm diameter
  - Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
  - Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 16,48 mm, 3 Pieces

## **WAECO COMP-FLTR**

*Chip Filter 12,70 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 
- 12.70 mm diameter
  - Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
  - Easy to install, with no need to cut pipes or add new connections

**Описание изделия** Chip Filter 12,70 mm, 3 Pieces

## **WAECO COMP-FLTR**

*Chip Filter 14,25 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 
- 14.25 mm diameter

- 
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
  - Easy to install, with no need to cut pipes or add new connections

### **Описание изделия** Chip Filter 14,25 mm, 3 Pieces

## **WAECO COMP-FLTR**

*Chip Filter 14,70 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

---

- 14.70 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections

### **Описание изделия** Chip Filter 14,70 mm, 3 Pieces

## **WAECO COMP-FLTR**

*Chip Filter 13,49 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

---

- 13.49 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections

### **Описание изделия** Chip Filter 13,49 mm, 3 Pieces

## **WAECO COMP-FLTR**

*Chip Filter 14,93 mm, 3 Pieces*

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

---

- 14.93 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections

### **Описание изделия** Chip Filter 14,93 mm, 3 Pieces

## **WAECO COMP-FLTR**

## Chip Filter 15,24 mm, 3 Pieces

The ideal life insurance for a newly fitted compressor! A chip filter will catch contaminants and residual particles, protecting the new unit and preventing costly repairs from being needed further down the line. Installation is easy and risk-free, with no need to cut pipes, insert fittings or add new connections that could leak. This range of chip filters gives you a wide choice of sizes for use in different A/C systems.

- 15.24 mm diameter
- Catches contaminants to provide valuable protection for the compressor – especially important if you've just fitted a new one!
- Easy to install, with no need to cut pipes or add new connections
